### SKY VBS!

### Are You Ready?

The time is drawing near for Vacation Bible School! This year we will be transforming our church into the boundless blue sky. At SKY VBS, kids discover God's Word in a fun and unforgettable way!

Each day, kids will learn a single Bible Point that will be reinforced with a Bible verse and Bible story which makes it super easy to remember what they learn. When it comes to teaching kids about God's Word, we know how to make faith stick! The R.E.A.L. approach to learning is guaranteed to help kids remember God's Word.

Each day, our children will rotate through activity stations with their Flight Crews - which are designed to reinforce the Bible Point of that day in a hands-on, fun way that will keep everyone engaged! Our stations will include:

#### ◆ Up & Away Sing & Play

We will sing a fun mix of classic worship songs and brand-new praise songs with Mrs. Jennifer and her helpers each day.

#### ◆ Wild Blue Bible Adventures

We will experience the daily Bible story in a surprising hands-on way and then join in thought provoking discussions with our Flight Crews. Mrs. Betty and her helpers always keep us on our toes with unexpected adventures and friends.

#### ◆ All-Star Games

Mrs. Kim and Mrs. Leslie will play games that give kids a deeper understanding of the daily Bible Point. Be prepared for anything!!

#### ◆ Skydive Diner

Crews come together at Skydive Diner to eat yummy snacks that connect with that day's Bible verse. Mrs. Jeanne and Mrs. Ginny make sure our snacks are delicious!

#### ◆ And, of course, CHADDER!

We will join Chadder Chipmunk for high-flyin fun! This year Chadder is jazzed he won a spot on the "Catch Some Air" reality TV show. But when it appears the competition is rigged and the stunts daring enough to make the daring-ist daredevil tremble will he survive? And will he trust God as he soars skyward?

Each part of SKY VBS is intentionally designed to connect our kids to God, create change in their hearts, and provide them with actionable ways to share God's love with others. After a week at Sky VBS, our kids will be equipped to live out their faith, taking home what they learned-and share God's amazing love with their family and friends! So bring your 3 year olds through entering grade 6!

**Enroll your children this Sunday at the table outside Bible Beach or visit us online at [www.bentonumc.org](http://www.bentonumc.org)!**

## Summer Pastor's Study

This summer, our Senior Pastor, Danny Gleason will be leading a Bible/Book Study using Michael Slaughter's book – *Real Followers: A Radical Quest to Expose the Pretender Inside Each of Us*.

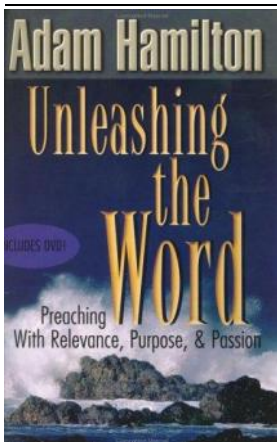

From the Cokesbury website describing this book:

“Many Christians, disillusioned with lives of spiritual mediocrity that have been dampened by today's rampant materialism and cafeteria spirituality, are asking the same question: “Where is the substance that can move our church beyond ho-hum Christianity?” Today's public fascination with angels, New Age spirituality, and the paranormal is likewise spurring Christ's followers to look for greater and deeper life transformation through their faith. Real Followers shows how an ordinary church can be transformed into a radical community—a fellowship of everyday people who began looking for meaning and searching for authenticity. Michael Slaughter describes a movement that is hooked in various generations, from buster to boomer to builder.”

He is going to be the guest teacher for the 2012 Louisiana Annual Conference reflecting this year's theme, "Building Up Leaders for Building Up the World". He will address the conference on Sunday evening, June 3 at 7:45 p.m. and Monday, June 4 from 8:30 a.m. to Noon covering his books "Leading Beyond the Walls" and "Unleashing the Word".

These sessions are open to all and are held in the Gold Dome at Centenary College. Bishop Hutchinson is retiring and this will be his final conference, so don't miss the opportunity to participate in the Opening Worship and Communion at 7:00p.m. prior to the study.

### Farewell and Thank You to the Munyons

This month we will officially thank the Rev. Carl and Linda Munyon for the two faithful and very fruitful years of service to their Lord through the Benton United Methodist Church. Carl will be preaching Sunday, June 3<sup>rd</sup> and we will be celebrating their ministry with us following the 10:50 am service that day with a fish fry. I hope that you will join me in thanking Carl and Linda for their service and love. Carl and Linda will be primarily worshipping at the Barksdale United Methodist Church (their home church). Carl entered the ministry out that church back in the 1980's. They have promised me that they will still be attending many of the functions of our church when they are not traveling in their new RV. Godspeed and thank you!

### Hello Again and Welcome to the Nelsons

This month we will officially welcome our “new” Associate Pastor, the Rev. Cheryl Nelson. As many of you may know, Cheryl previously served on our pastoral staff a few years ago. I was blessed to be one of Jackie and Cheryl's pastors at First United Methodist Church, Bossier City from 1992-1997. I am very excited about working with her and I feel that her gifts for ministry will be a great asset to our church and staff. Cheryl's primary responsibilities will be the care of our homebound, nursing home, and elderly members. We will have a welcoming event sometime in July (watch your email for that date).

### Vacations

This summer is filled with vacations. Our family is going to Mount Rushmore in July! We are extremely excited about this vacation and we can't wait to get there. Where are you going for you vacation(s) this year?

We all need a time to get away and relax, but I am aware of a disturbing tendency in our culture – many take vacations from church during the summer. One of the biggest Sundays of the year (attendance wise) is the Sunday after school begins again in August. Some of us choose to spend time in other places rather than corporate worship (the lake, the golf course, the pool, etc...) I think that we forget that our worship of God is the lifeline for our faith. And If our worship has become just another thing to choose from in our busy lives, then what does that say about our relationship with God? Have we loved God with all of our heart, mind, soul and strength?

This summer, when you do go on a “real” vacation, and you are away for a Sunday, please worship God with other Christians wherever you are. There are United Methodist Churches all over the place throughout the United States. At the very least there is a church with a cross on it (a Christian Church) in every city, town, community and hamlet in all of America. Wherever you worship on vacation, please bring me that church's bulletin, newsletter, prayer card, event brochures, (whatever you can get your hands on without stealing.) Sometimes we get ideas of how to better our ministries from other churches. It is not stealing, it is ecclesiastical borrowing.

This summer, please join me in worship at Benton United Methodist Church at 8:30 or 10:50 am. If you are away on vacation, please join other Christians in corporate worship of our God. If worship of our God is one of the most (if not the most) important things that we do as Christians, it needs to be high up on our “must do” list this summer.

See you in worship!

Grace and peace,  
Rev. Danny Gleason  
Senior Pastor

*Worship Fully*

*Therefore, I urge you, brothers and sisters, in view of God's mercy, to offer your bodies as a living sacrifice, holy and pleasing to God—this is your true and proper worship. Romans 12:1-3*

## We Appreciate Our Teachers!

June 3, is Promotion Sunday at Benton UMC. Our children and youth will go to their regular classes and then with their teachers go to Bible Beach for a special Promotion Day Celebration.

Although our Adult classes do not "promote" this marks the beginning of our Summer quarter of learning.

Every day should be Teacher Appreciation Sunday! We have many dedicated teachers who share the love of Jesus each week as they prepare their lessons, check on class members and gather materials and supplies. Sometimes the stories and lessons tell of the love of Christ, other times it is shown in a hug, a friendly smile, a note or a phone call.

I am reminded of the story in Acts when Phillip responds to God's call to go to a certain place where he encounters a eunuch reading a passage from Isaiah. When Phillip inquires if he understands what he is reading, the eunuch replies "How can I know if there is no one to guide me?" We thank you teachers for guiding us and leading us to a place of understanding the Word of God.

If you see a teacher, please take time to express your appreciation to them. Listed below are the teachers for this past year. Some of them are taking a break, but others have stepped up and said "Yes" to God's call.

Parent's Night

**To all the parent and adult leaders:**

Thank you so much for your support of Benton United Methodist Church, and our Student Ministry for students grades 6-12, "In" Student Ministries. The past three years have been wonderful for me and my family; and we are looking forward to even greater things in the 2012-2013 school year. I wanted to let you know what our vision and goals are for the upcoming year, and what role YOU play in making them happen. First, here is our mission statement, which sums up *why* we do what we do:

**IN Student Ministries exists to:**

*INvite* others into our church and a relationship with Jesus Christ, *INcounter* God through worship, *INcrease* our knowledge of His Word, the Holy Scriptures, *INgage* in ministry with each other, our church, our community, and our world, and *INteract* with each other in love.

Next, here is our programming schedule, beginning Sunday, August 19<sup>th</sup>, which shows *how* we do what we do:

- ♦ Sunday Morning Worship at 8:30 AM or 10:50 AM, with Sunday School (Separate classes for Confirmation, Middle School, & High School) at 9:45 AM **INcrease**
- ♦ Sunday Night Small Groups at Chris and Kim's house (Separate groups for Middle School & High School) 1<sup>st</sup>, 2<sup>nd</sup>, & 3<sup>rd</sup> Sundays at 6:00 PM **INteract**
- ♦ Sunday Night Sports (On the field or in the Family Life Center) 4<sup>th</sup> Sundays at 6:00 PM **INvite**
- ♦ **INcounter** Student Worship Wednesdays at 6:00 PM (Snack Bar opens at 5:30) **INcounter**
- ♦ Monthly service opportunities (Food pantry, clothes closet, etc...) and yearly events (30 Hour Famine, Red-Bird Mission, Impact Benton, etc...) **INgage**

Now, here is where you come in. In order for a ministry to succeed, there are three crucial elements: First, is the presence of God. I'm asking our congregation, especially parents of students, to pray at least once per week for our student ministry. Second, is having leadership from adults. Whether it's leading a small group, driving for an event, or providing snacks, your participation is crucial. There will be opportunities to serve on a consistent basis, so please consider what your role could be. Third, we need the students. I know my family's life can be hectic with three children and both Kim and I working, so I can't imagine how crazy it is having teenagers. But I would ask you to set aside time each week for God, in your life and the life of your child. I'm not saying be here "every time the doors are open," but consistent attendance and participation in the student ministry will benefit your child and your family tremendously because one of the greatest ways we grow in, and live out, our Christian faith is through the Church. One of my biggest hopes for our ministry is that the students will not "graduate from God when they graduate high school." I want to see them go into college, their career, and the rest of their lives with a strong walk with Jesus Christ that will carry them through life's challenges. That foundation is being laid now in their formative years. So, please do everything you can to encourage your student to participate regularly in the Student Ministry here at Benton United Methodist Church.

Again, thank you so very much for allowing Kim and me to be a part of your life, the life of your child, and the life of Benton United Methodist Church. ## I SAW THE SIGN...

I first went to South Africa in July of 2001. Our team worked in Orange Tree township on a Methodist church in need of repairs. We formed a wonderful relationship with the members and the people of the town as we worked side by side rebuilding chairs, pouring concrete for a new room, erecting a cross, making candles and helping to sew quilts to support their ministry.

One of the days we were there we went to help serve tea and buttered bread to the pensioners who stood in line for many hours waiting for their meager allowances. This was a ministry of this church who cared for the poorest of the poor. The building where we worked was surrounded by armed guards who were there to protect those receiving cash from being robbed. It was a surreal experience as I reflected on living in the lap of luxury in the USA.

Below is a sign that was posted on the front doors of the church. It was large enough that anyone approaching could see from a distance. I came across this notice the other day as I was going through tons of paper that needed to be shredded and disposed of. This however will never be forgotten or laid aside, for it is the story of the church, the story of our church, the church that came into being on the day of Pentecost and lives and breathes and has as its purpose to share the Good News of Jesus Christ. Let's get radical! ~Dianne

## NOTICE:

“Attention! Behind these doors we worship regularly with liars, thieves, gossips, backbiters, people with troubled marriages, alcoholics and drug takers. We welcome hypocrites and jealous, envious, coveting, Materialistic sinners of all sizes, shapes and colors.”

But the Good News is that we all have something in common. We have all learned that the Church, the body of Christ, is a hospital for sinners, not a museum for saints. We have all learned that the Lord is our rest, that He reaches out to save us, and that we are the redeemed community of the saints.”

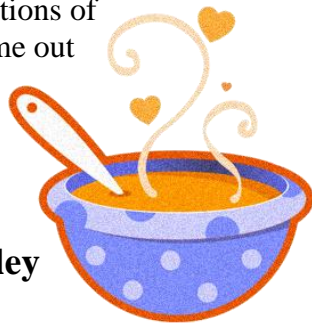

“We come here to worship and to praise Him, and to continually plan how we might be better agents of change, salt and light In a darkened world that needs the good news that Jesus saves. You are welcome, but be warned that we take Christianity seriously!”

## Souper Saturday Needs YOU!

An opportunity to serve the community is available through our Souper Saturday Ministry. It is a ministry born out of the need to fill in for the Council on Aging's Meals on Wheels program by providing a hot meal on weekends. Several area churches cooperate in sharing this ministry by each taking a weekend to cook and deliver meals. Benton UMC delivers meals on the *last* Saturday of each month.

Church members volunteer to prepare, assemble, and deliver the meals out of the Family Life Center kitchen facility. Meals are delivered to the Benton area and as far north as Plain Dealing and its surrounding community.

It is completely financed by donations of time and money and does not come out of the church budget. Currently there is a need for servants on all levels.

## Food Pantry Update & Invitation to Serve in Benton UMC Outreach...

Thanks to all of those who have helped with the food pantry whether it's taping boxes together, unloading the truck when it arrives, filling the boxes with food, signing people in when they arrive for their boxes, or actually distributing the boxes. Your help is greatly appreciated and we could not continue to sustain this ministry without all of you. This ministry is rapidly growing and we need more people to lead in the following areas:

### \*Leadership Positions Needed

- ◆ **USDA Pantry Director** Rachel Stoneman currently oversees the administrative and logistical aspects of the USDA food pantry. Each area will have a person that reports directly to the director.
- ◆ **Emergency Pantry Director** Rachel Stoneman currently oversees the administrative and logistical aspects of the Emergency food pantry. Each area will have a person that reports directly to the director.
- ◆ **Administrator to USDA** Connie Wasson currently supervises the administrative portion of the USDA food pantry and will report to the USDA Director.
- ◆ **USDA Order & Packaging\*** Supervises the ordering and packaging of the USDA food pantry and works with Connie Wasson and Rachel Stoneman to ensure accurate counts of items needed for distribution.
- ◆ **Pantry Organizer** Ginny Jones currently organizes the pantry to ensure USDA and Emergency food box items remain separate, ensures that the pantry remains clean, assembles emergency food boxes and reports low inventory levels to Emergency and USDA Pantry Directors.
- ◆ **Servant Coordinator\*** Schedules office servants to handle incoming assistance requests 2 days a week, notifying office personnel of the schedule and ensuring servant positions are filled.

**Please call Rachel at 318-965-2273 for more information on

## A CONVERSATION ABOUT DOMESTIC VIOLENCE AND ABUSIVE RELATIONSHIPS

**WEDNESDAY, JUNE 13TH AT 6:00 P.M.  
IN THE FAMILY LIFE WORSHIP CENTER**

Our speaker for this "conversation" will be Dr. Patricia Bates, an ordained deacon in the United Methodist Church. She serves on the Louisiana Conference UMC Board of Church and Society as chair of restorative justice. She founded Seeds of Light, a restorative justice nonprofit ministry which received a Governor's Award for Excellence. She has served Wesley Chapel UMC in Homer as its Minister of Christian Education since 2004.

Dr. Bates will share valuable information with us about the signs of abusive relationships and the help that is available for victims. It is important for us who love our families and our neighbors to be aware of these signs.

Since this is a "conversation" we want you to ask questions and share with each other. This meeting is open to all adults and high school students. Our discussion will not be appropriate for younger children. The nursery will be open for children 5 years old or younger.

A pizza supper will be served. Please make your reservation and plan to attend.

## Pennies for Mission

~UPDATE~

Thanks to the generosity of our church our VBS Mission project has touched the lives of so many.

Our "found" pennies (\$273.29) were sent to Operation Smile which helps to pay for cleft palate surgery for children around the world.

We bought equipment for the Day Care and Christian Education (\$1711.00) to make bulletin boards

We sent \$1000.00 to Joey Legg our missionary to Victory Camps in Alaska

We sent \$60.00 to Heifer Project

Please remember to save your pennies and turn them in to the "Penny Box" located in the north foyer anytime or bring during VBS June 18-22.

Who would have thought that a little penny could go so far? "For with God, nothing is impossible" Luke 1:37.

If you would like to meet with Rev. Danny, please call the church office at 965-2273 to set up an appointment. For your convenience the office is open Monday-Thursday 8:30 a.m. to 4:00 p.m. including the noon hour.
